06/2023 – present

Personal Portfolio Website [↗](#)

My Portfolio is under development starting from 6 June 2023.

- Added contact me with the auto-reply system.
- Designed logo, and favicon, also have used greenish color.

05/2022 – 06/2022

Easy_buy online shop

I have been working on this project since the sixth semester. We were three members in the team **I was the lead developer**, and I also have done the integration of templates in back-end and front-end development.
